Toilets

Water savings

Dual flush tanks that use half of their capacity to avoid water waste.

Roca Rimless®

Easy cleaning

Inner walls without angles or nooks where dirt might accumulate facilitating the cleaning of the toilet.

Hygiene

New water distributor that propels a stronger flush, homogeneously distributing water throughout the entire bowl.

Splash-free

Slight edge on the upper part of the bowl that prevents water from exceeding the limits of the piece, avoiding any splashing.

Material Supralit®

Antibacterial

Roca's exclusive zero porosity material that prevents the absorption of liquids and the build-up of dampness and bacteria.

Easy cleaning

Innovative design with no angles or nooks where dirt might accumulate, facilitating the cleaning.

Resistance

Exclusive formulation, highly resistant to chemical agents and UV light.

Faucets

Resistance and Durability

Ceramic cartridge tested to withstand over one million opening and closing cycles. High resistance to corrosion and calcification.

Different Heights

Single-lever faucet models available in different heights to adapt to all type of needs.

Everlux

Sophistication and durability in a wide range of faucet solutions, allowing users to create exceptional spaces filled with personality.

Cold Start

Front cold water opening that forces users to turn the handle to the left to gradually obtain hot water.

Evershine

High quality chrome that guarantees the maximum scratch-resistance protection and keeps a radiant and mirror effect finish overtime.

Insignia

Extraordinary elegance and personality. The soft edges and a stylish side lever make the difference in a modern faucet collection that is ideal for urban style bathrooms.
