Inspired by limestone shaped by the passage of time and water, Riviere conveys calm, elegance and authenticity. The surface of this porcelain tile is characterised by a matte, almost silky background from which subtle veins emerge that are only revealed with light, adding movement and a genuinely organic effect. This effect is amplified by InTech+ technology, which captures the tonal variations, reliefs and nuances with the maximum precision that make each piece a living surface. When walking on Riviere, you can feel the duality that defines it: subtlety and character. The calm, contemporary base comes to life through delicate veins that give it an organic movement. With these features, Riviere conquers space with the quiet elegance of the essential.

Dolce & Vita is a call to design spaces where balance, creativity and inspiration coexist. It is design with soul. It is life to be enjoyed. Like a mineral surface softened by time, Dolce is a porcelain base with a refined aesthetic, where visual harmony and material calm reign supreme. With a subtle texture and a neutral palette inspired by cement tones, it combines effortlessly and integrates naturally. Dolce is composed of a solid and surrounding base that adapts without imposing itself, allowing the environment to breathe. Vita awakens the senses. It reinterprets terrazzo from a contemporary and expressive perspective, with fragments of colour that dot the surface like confetti on a canvas. Vita is background and protagonist, base and decoration.
